Sermon: Kelly Lawson

"The Power and Coming of our Lord Jesus Christ" I Peter 1
The apostle addressed the persons to whom the epistle was sent described by the state into which God had called, them to live their lives and in which he had placed, them, 2 Peter 1:1-4. What graces they should possess in order to be fruitful in the knowledge of God, II Peter 1:5-8. The miserable state of those who either have not these graces, or have fallen from them, II Peter 1:9. Believers should give diligence to make their calling and election sure, II Peter 1:10, II Peter 1:11. The apostle's is aware of his speedy execution, and he wish to confirm and establish those Churches in the true faith, II Peter 1:12-15. The certainty of the Gospel, and the convincing evidence which the apostle had of its truth from being present at the transfiguration of Christ, by which the word of prophecy was made more sure, II Peter 1:16-19. How the prophecies came, and their nature, all can understand prophecy alike if your doctrine doesn't get in the way II Peter 1:20, spake as they were moved by Holy Spirit ie: "carried along" II Peter 1:21.

We have money problems from lost support. Our prayer is this Church will always remain in this area in a form to be determined by the Lord. We had an offer for a lot of money to sell the Church and move. We turned it down. We have listed the property with a realtor who helped us with the sale of Al Chapman's rooming house. We are looking at a place near to continue feeding, we are looking at a building for worship a few blocks away that we could down-size by getting both. We are looking at a beautiful building close that is in a better neighborhood that we can up size to ... and we could continue the feeding ministry across the street. We are not in any hurry and we may do nothing if some large congregation wants to assume the oversight and guarantee to keep this place as a mission point and not sell the property to reduce the note on their building, buy Cadillac's or pay some preacher like he is a brain surgeon instead of an evangelist. We could have done all that years ago & have done with-out !
