Our Lord warns men against rash judgment and uncharitable censures, Matthew 7:1-5. Shows that holy things must not be profaned, Matthew 7:6; gives encouragement to fervent persevering prayer, Matthew 7:7-11. Shows how men should deal with each other, Matthew 7:12. Exhorts the people to enter in at the strait gate, Matthew 7:13, Matthew 7:14; to beware of false teachers, who are to be known by their fruits, Matthew 7:15-20.

Shows that no man shall be saved by his mere profession of Christianity, however specious, Matthew 7:22, Matthew 7:23. The parable of the wise man who built his house upon a rock, Matthew 7:24, Matthew 7:25. Of the foolish man who built his house, without a foundation, on the sand, Matthew 7:26, Matthew 7:27. ... Today there are about as many people living as have ever lived in history ... Today we have an opportunity to preach the Gospel to as many people as have ever lived in all of history ... there are approximately that many people alive today ... all open to the great principles of the Restoration Movement. Not since the first century has the whole earth had a common 2nd language - English - as Greek was a second language in the 1st Century ... where everybody spoke their own language and at least some Greek like English today. There are as many people learning and studying English in China as there are who speak English in the United States. We in the US mainly listen to long wave radio AM & FM but in the rest of the World they listen to short wave in their cars, homes and many have hand crank generators because there is no electricity. It is estimated that there are about 3 BILLION short wave radios in the world today ... and at any one time 1 billion are turned on with an average of 3 people listening to each radio ... that means at any time on Sundays about a third of the world's population today or, one sixth of all mankind who have ever lived are listening to short wave radio. Where do I get my figures Brother Charles Caudill President of World Christian Radio a Church of Christ organization in Franklin Tennessee the owners of Radio Madagascar which God willing we will be broadcasting on January 2016. All must hear ... all must be told ... dream the dream ... see the vision ... witness the great things God can do with NOTHING ... We're on the way Pray for us ...

Sick & Shut-ins: Rick/Patty Baiser, Virginia Hebert, Mary Wyatt, Claude Masters, Glenn/Marilyn Jones, Mary Trout, Shirley Patterson, Peggy Hawkins, & Maggie Pope

Updates about Alaska and the Indian Ocean radio stations. "Much work has occurred over the last several weeks. several important plans for broadcasting from our new Indian Ocean radio station (Station MWV). Decisions were made concerning the hours that each language will be broadcasting, which of the three antennas will be used and the direction that the signal needs to be aimed. This is crucial as we plan to begin broadcasting just as soon as we can. There is much more involved than putting up an antenna, turning on the electricity and beginning programming. All of this planning and meeting that is going on now is essential. The staff in Alaska and at the Indian Ocean station has been working to bring us to where we are now." Soon and very soon, the entire world will be covered with the gospel. I will keep you informed.

Low Kbytes means the people from those countries are downloading and printing written lessons in their own language for their Sunday School classes and worship services just like we have hoped and prayed they would use them.
