Counter Punch the Devil - Radio Double Down

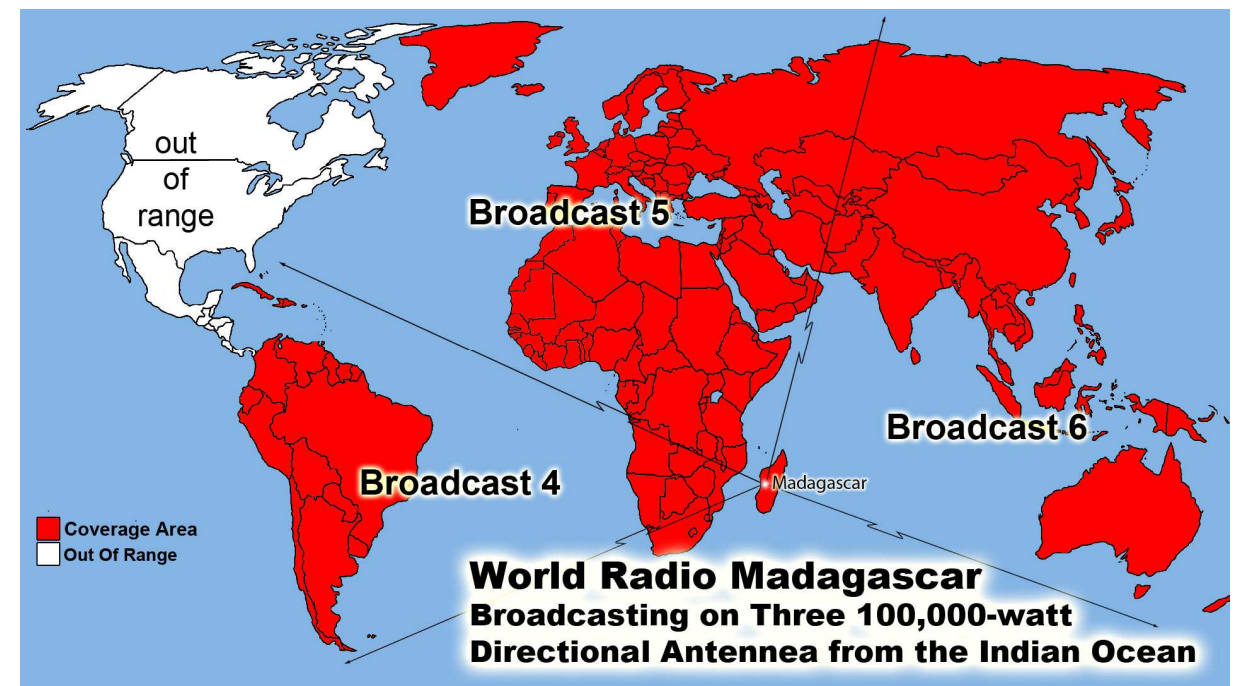

December 6, 2016 was to be a happy day ... for that Sunday the new super stations: the 3 Radio Africa Network stations, plus WRMI Miami broadcasting to Europe, Russia, Middle East N. Africa, the North & South America broadcast and the 2 Russia, China & all the Pacific Broadcasts, were to begin ... 8 more International Broadcasts to go with the 4 National and 2 International Broadcasts we already had what could "SLEW-FOOT" possibly do to foul up such a wonderful day with such blessings from the Lord on December 6th 2016?

At 6 am I found Ginger unconscious, called 911 and she was rushed by ambulance to Baylor where in spite of my warnings and providing her insulin myself, they allowed her to lapse into a diabetic coma while I was at Church preaching the Gospel to the whole wide world twice ...

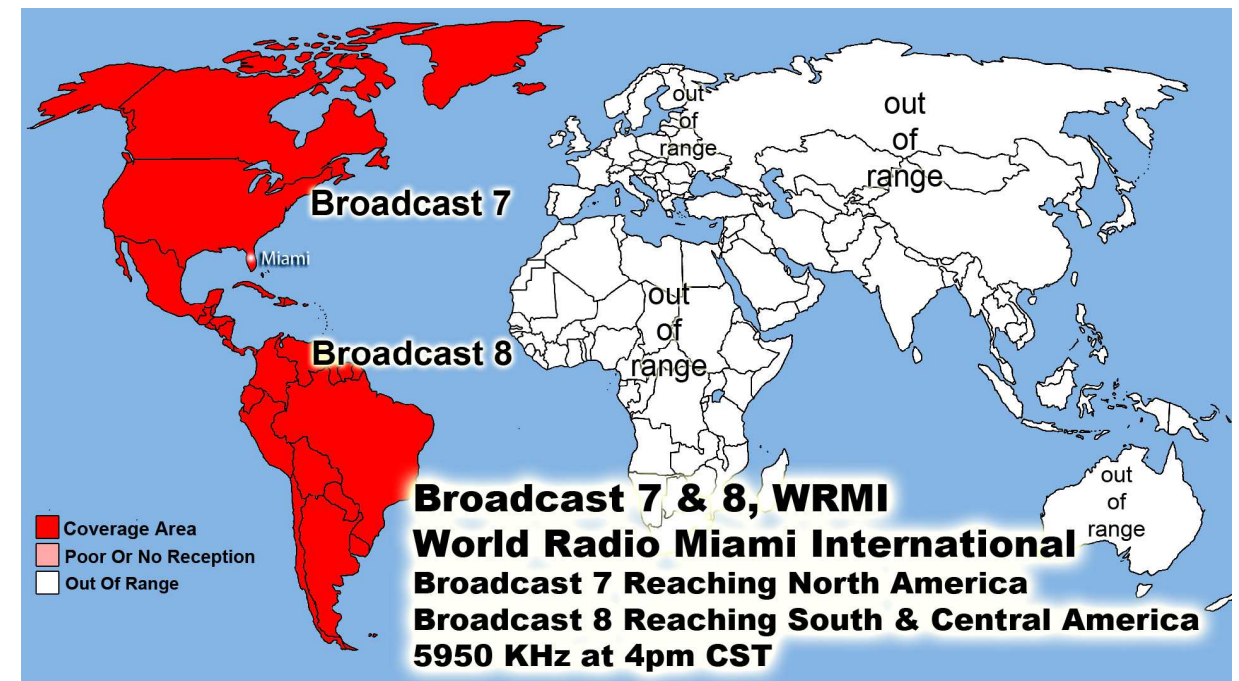

Furthermore, when I arrived at Church in the nick of time to preach, @ 11 am I was informed RATS had chewed the microphone and speaker system wires in two and we had no sound system Well that was no problem, for being experienced in preaching I knew to preach to the back row and not the microphone anyway so I just preached loud enough for everybody to hear me and thanks to God the lapel microphone broadcast to our CD recorder and we got the CD for the Up and coming Radio Broadcast which is what the Devil was after. In the first place After worship I was informed that RATS had run AMUCK in our food storage and supplies and had destroyed over \$2,000 in supplies. RATS are filthy creatures, they urinate when they run and the urine had run down into the boxes of 1,000 spoons, cups, plates, bowls and such. My heart was breaking as we threw away in the dumpster all those hard bought supplies ... but SLEW FOOT was not through with us yet ...

When I arrived at the hospital and found Ginger in a diabetic coma ... they also informed me she had contracted an "antibiotic resistant super bug" leaving her near death for 5 months and permanently paralyzed from the waist down, with a permanent colostomy and Catheter requiring 24 hour a day nursing care for the rest of her life ... it is heart breaking to see her every day trapped in her body and unable to move. I must confess to you 40 or 50 years ago I would have gone and pulled a drunk and you would never have heard of me again ... that's what Satan was counting on: after all it's what I've always done when my "World falls apart" Well, I got news for him Jesus is Lord and the DEVIL is a PUNK for it says: "greater is he that is in me than he that is in the world" I John 4:4 and I began to think about how we could stomp on the head of the serpent right now for the scriptures say: "And the God of peace shall bruise Satan under your feet shortly. Romans 16:20 What could we do to really punish the Devil and his kingdom of this world? Give him some of his own medicine! In Black Jack a "worldly game" of gambling there is a play called Doubling Down: Now this betting decision is when you are dealt: 2 Aces or 2 Face cards you know the dealer does not have 21 or he would have announced it and picked up your bet so you split your cards and bet all you want . The odds say you have a great chance of drawing another face card you should only use this option when the odds calls for it.. 2 brethren have approached me and said : "I want to pay for a Radio package"

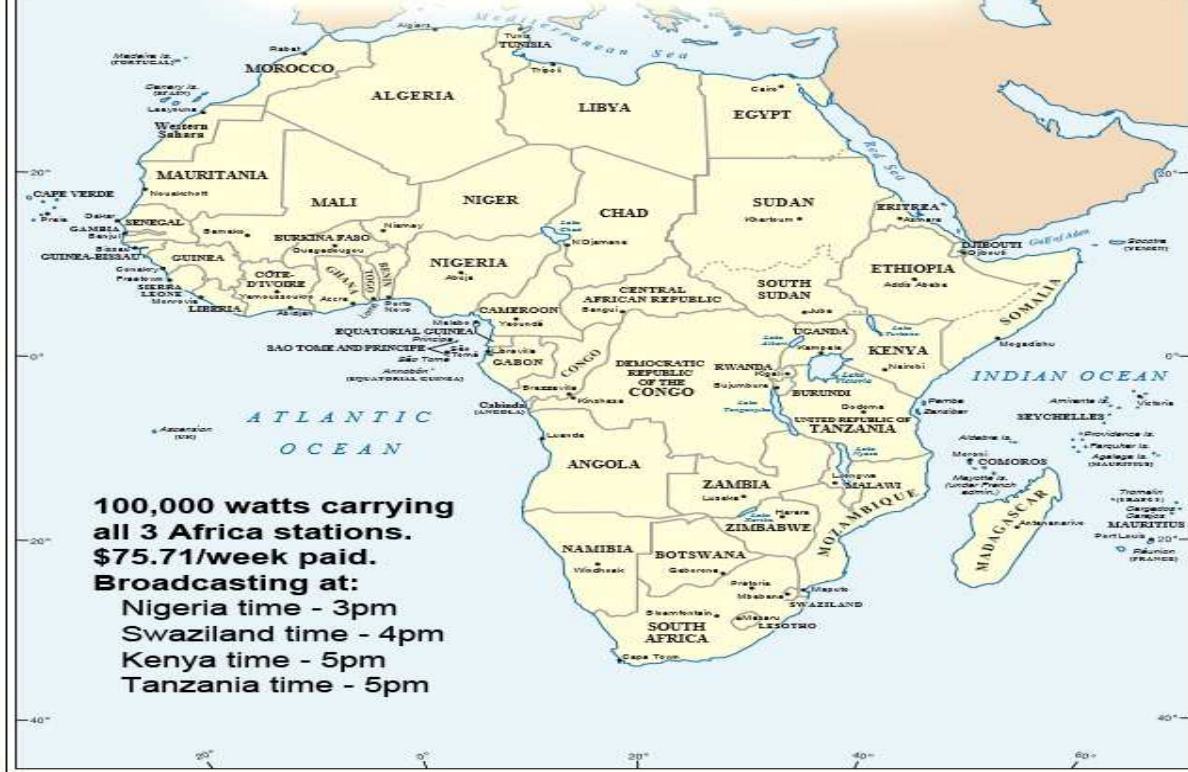

This week I approached Pan American Broadcasting about Doubling Down with them and going from 8 International Broadcasts with them to 16 International Broadcasts at a reduced Price. Our Broadcasts reach Europe, Russia, Africa, Middle East, China, India and the Pacific in the afternoon the 8 New broadcasts will reach all those areas of the world in the morning. It's all paid for but \$300 a month. Do you think there is a face card under one of those Aces? The Victory is WON. +T+

We have done so much, for so long, with so little, we are now fully qualified to do anything with nothing. That is what faith is ...
