Church History Protestant Reformation

The Protestant Reformation did not go far enough in stamping out the wicked man made change of Roman Catholicism which was a great falling away from the faith found in the Bible. Ginger has cancer and they must cut it out this coming Wednesday in order to save her life. Not one bit of it can be left in her or she will die. It is the same with Romanism Protestantism just didn't go far enough in cutting out every last vestage of Catholicism in which dwells the doctrines and traditions of men Matthew 15:8-9. John 6:63 & John 12:48. Rome made laws: Latin to be only language of scriptures. Call no man Father cf: Matt 23:9. Celibacy is a doctrine of devils cf: I Tim 4:1-3, Pope is anti-christ cf: Col 1:18. Anti-christ has been here all along cf: I John 2:18-19, Pope led great falling away & is man of sin cf: II Thess 2:1-12. Rome sold indulgences, built St Peter Basilica making merchandise of people's sins cf: II Pet 2:2-33. Greek Catholic split from Roman Catholic in 1054AD. They kept false doctrines of Rome except they have: No Popes, Priests may be married, & they have a cappella singing without instruments. 1384AD John Wycliffe produced hand written translations of the bible into common English based upon Jerome's Latin Vulgate translation. He died a natural death, but 44 years later under Pope Martin V, Wycliffe's bones were dug up & burned & scattered over the river Swift. Men who begin burning books will end up burning men. Tyndale burned at the stake in 1536 and many more followed.
