Brother Kelly & Brother Norman meet with Brother Charles Caudill of WCB in Nashville about broadcasting from Radio Madagascar in the Indian ocean. We have a Christian brother hand shake agreement and God willing we will begin broadcasting our worship service the first Sunday they are on the air - fall or winter. The only thing keeping us from signing a contract is they have to generate their own electric and they do not know their costs ... but it will be reasonable. They will have four to five billion people in their broadcast area. Did you know there are as many Chinese studying English as there are people in the U. S. who speak English?
